Terms

1. **Subject.** The Seller promotes and sells Discover Sharm services (hotels, excursions, transfers, packages) to customers using a personal seller code and the seller dashboard, and earns commission on confirmed bookings. The Seller is an independent contractor — not an employee, agent or partner of the Platform — and is responsible for his own taxes and costs.
2. **Genuine bookings only.** The Seller may only create real bookings for real customers. Fake, self-dealing or test bookings made to earn commission, abuse of promotions, or misleading statements about prices, services or the Platform are prohibited and void any commission on those bookings.
3. **Commission.** The Seller earns a share of the Platform's commission on each completed booking, at the seller rate shown in the dashboard (default rate, or a personal rate agreed in writing). Commission is earned only once the service is completed and is cancelled if the booking is cancelled, refunded, charged back or found to be fraudulent.
4. **Customer money.** The Seller may collect a deposit or payment from a customer only through the methods and limits provided in the seller dashboard, and must record it immediately. Cash received must be handed over / recorded as the dashboard requires; keeping or misusing customer money is a serious breach and may be reported to the authorities.
5. **Payouts.** Earned commission is paid to the bank account or InstaPay account registered in the dashboard, subject to the minimum payout, verification and holding rules shown there. The Platform may withhold amounts that are under review for fraud or customer reports.
6. **Customer data and conduct.** Customer data seen through the dashboard is confidential and may be used only to serve that booking. The Seller must treat customers respectfully, must not spam, and must comply with applicable law and the Platform's policies. Customers may report a seller; reports may lead to limits or suspension.

7. **Identity verification.** The Seller confirms that the identity document supplied is genuine, valid and his own, and that all information in the application is true. The Platform may verify it and may refuse or end the relationship if it is false.
8. **Term and termination.** This Agreement starts on the date of signature and continues until either party ends it with written notice (immediately for breach). Commission already earned on completed, valid bookings stays payable after termination.
9. **Liability.** The Seller is responsible for losses caused by his breach or negligence, including customer money he holds. The Platform is not liable for indirect or consequential loss.
10. **Governing law.** This Agreement is governed by the laws of the Arab Republic of Egypt. Disputes are first settled amicably; otherwise they are submitted to the competent Egyptian courts.
